Hello Rehman

Over the past 25 years since I lost a lucrative career under highly obnoxious circumstances at the University of Greenwich, I have been mentally brutalised, defamed, persecuted for my religion, victimised for seeking justice, defrauded by hidden elements within the State, and humiliated and terrorised.

Nonetheless we have to put the past behind us as a nation and I am pleased to be a member of the Conservative and Unionist Party (see attached: ConservativesMembershipCertificate.pdf)

I have a Foundation that has a political element that I named The Conservative Libertarian Party of the United Kingdom that is allied to the Conservatives with the approval implicit in the proceedings leading up to the reinstatement of my membership of the Conservatives last year.

In order to make progress, I am a very strong supporter of the current leadership including the Prime Minister and the Chancellor of the Exchequer in the priority issues outlined for enactment before the next general election, for which I am at your disposal to campaign locally on your behalf to see you re-elected for Parliament in Gillingham and Rainham.

Overall, my experience of the Judicial and Law Enforcement system of the United Kingdom is I found abysmal in its criminal and civil aspects, and I believe that reforms are needed as a priority issue. I have written to you in the past year about some of these issues to bring to the attention of the Home Secretary Suella Braverman with regard to how Kent Police has conducted itself with me.

The Mental Health provisions are closely related to the treatment of individuals seeking justice as it represents a low-grade punishment dished out by State authorities to those who are politically active but have not committed any offences as in my case.

Wholesale changes are perceived by me to be necessary in terms of Reforms: as outlined here: Reforming the entire Judicial and Law Enforcement system of the United Kingdom | The Conservative Lib (theconservativelibertariansociety.com)
<https://www.theconservativelibertariansociety.com/forum/tclp-uk-proceedings/reforming-the-entire-judicial-and-law-enforcement-system-of-the-united-kingdom>

Would you consider my view that we need a written Constitution accordingly?

Yours sincerely

Hiya Laura

So you did not receive a summons from the Court of Appeal for Spamming my website or was there a point to your latest post here? In case it is the latter, I am never going to give up my TCLP-UK Leadership until I receive an apology from Kemi Bedenoch for the way I was treated. And on the subject matter of the Written Constitution she must make her position clear as it a red line for TCLP-UK. Supporters are needed for my House of Commons Petition as linked here (<https://www.thelibertariandemocrats.com/post/we-published-your-petition-develop-an-official-written-constitution-in-the-uk>, because the justifications in finest detail for the need of a Written Constitution that was submitted to the Petitions Committee requesting the fast-tracking of the Petition for an immediate reply from the present government was not replied to, so I have assumed that some other means of propagating the proceedings should be sought. We cannot wait to see if we are going to get 10,000 signatures to force a government response:

In short, I had sought views of the previous Conservative Prime Minister through the proceedings leading up to this Petition but it was not responded to. Now, if Kemi Badenoch indicates that there is a place for me in the Conservative Party I will rejoin it to do both, including assisting the Party for the next general election with TCLP-UK becoming a wing of it.

Let me know what you wish to do. I have abandoned all hope of getting full accreditation of the TCLP-UK with the Courts and the Financial Ombudsman rejecting by silence the stance taken by Stripe (Payments) UK Limited not to provide transactional support to The Conservative Libertarian Publications Limited at its Membership website: <https://app.joinit.com/o/vishista-advaita-sampradaya-tclstclp-uk>

Best wishes

Fresh applications for permission to appeal must include:

- a completed appellant's notice (form N161)
- grounds of appeal on a separate sheet

- The appropriate court fee via your PBA account, a completed Help with Fees form (EX160) or by contacting the RCJ Fees Office on 0203 936 8957 or by emailing RCJfeespayments@justice.gov.uk between the hours of 10:00am and 16:00pm, Monday to Friday (except bank holidays)
- a copy of the sealed order being appealed.
- A transcript of judgment should also be provided if available (or should be ordered immediately)

The public counter at E307 (Registry) remains closed, however a drop box facility is available at the main entrance into the Royal Courts of Justice.

Once the appellant's notice is issued, all queries should be emailed to the appropriate following addresses:

Civilappeals.cmsa@justice.gov.uk

Civilappeals.cmsb@justice.gov.uk

Civilappeals.cmssc@justice.gov.uk

Civilappeals.listing@justice.gov.uk

I will need 3 mins of time to look into your site, and my resources. thank you

Hi Shantanu, I would like to ask, is this happening in all the forum categories?

I would also like to check and recreate the issue on my end, so I will try to access the affected forum. 😊

Hi Shantanu, I haven't heard of you in a while. Are we still connected?

No, it is sporadic: sometimes it happens in

<https://knowledgeassessmentanddissemination.com/forum>

Ryle

Thank you for clarifying. How about on other site with forum on it? does it happen on other sites?

Not that I have noticed, but I do not get comments posted on those sites to know

Dear Rehman

With the benefit of hindsight and since I am a bonafide member of the Conservative and Unionist Party as attached: ConservativeMembershipCertificate.pdf, I will agree with your assessment on a personal note. I found that within the current system it is still possible for a libertarian and a Conservative Libertarian at that to survive in the United Kingdom, but it took me the best part of 25 years to finally establish my credentials, as you will read from the attached: ToForzKhanccCentLonCtyCrtKentPolice5Mar2023.docx.

I look forward to assisting you at Gillingham and Rainham Constituency at the coming general election for we must keep the Labour Party out of power.

Here is to the great British unwritten Constitution with its extensive checks and balances that provides the scope for an individual to demonstrate and exploit his or her entrepreneurship.

Yours sincerely

Dear Dr Panigrahi

Thank you for your email regarding the British Constitution.

I appreciate your support for a written constitution similar to those of some other countries but I believe that our current system serves the UK well.

I therefore do not support making such changes.

Dear Shan,
 One of my juniors drew my attention to Legal Cheek, a online scandal-oriented, bulletin board mainly for the law profession and its many ill-wishers.
 Either Counsel Forz Khan, or someone spoofing him, was laughing at you, without naming you, but we knew he meant you when he wrote a Cracked Pot from Gillingham got himself arrested once again but persists in denial which no one believes.
 If nothing has happened it was merely a misguided joke almost on 1st of April.
 But if something has happened, and you informed Mr. Khan, and he betrayed your confidence, he could find himself disbarred. He has been rebuked before by the BSB for a not dissimilar contravention.

If it was not him, how did the mocker now about what ever it was that happened? I added his email address for him to answer you, not us, because our email is as you know non-replyable. We repeat our plea to you. Due to our own security concerns, we can't help you unless we know what's happening. The persons pretending to be Caine expelled my colleague from AFP and our only source was your entertaining publications, but you've withdrawn them from the web free download archival. Do reinstate this without delay, specially if you are in trouble.

M.Mulhouse may be contacted for a week while he is in the U.S., at (352) 444-1200.

This is a very insightful exchange on the topic of the UK's unwritten constitution. It's interesting to see how individuals from different political backgrounds, such as Dr. Panigrahi, appreciate the balance and flexibility the unwritten constitution offers, allowing for entrepreneurship and political adaptability. I can see both sides of the argument—while a written constitution may offer more clarity, the UK's current system has a unique ability to evolve with changing times. It would be interesting to explore how the public feels about this debate in the context of current political dynamics.

Comment:

I had to reply to this interesting post from surhalwaqiah, and with no acknowledgement of the correspondence, published the email to the Court of Appeal in Daily Bulletin, posting it in United Kingdom as a Republic page of Facebook to lay the ground:

<https://www.knowledgeassessmentanddissemination.com/post/will-the-author-of-these-websites-hear-from-the-duty-justices-of-the-court-of-appeal-for-a-listing-o>

The Jury is out; the exception makes the rule:

If there are no proceedings now at the 11.55 hour, the Case for a Written Constitution would be overwhelmingly undeniable.

I was prompted into communicating with the Conservative and Unionist Party this evening in my website.

The Conservatives may be interested in what I had to say, as linked:

Did this help solve your issue?

I pressed NO

So, I raised a fresh new Dispute, as follows:

Dear Stripe

In accordance with your email this morning I have now authenticated the correspondence as required by Stripe.

Stripe should know that this is not a matter of damages and compensation per se, it is a matter of principle. Every political species of humanity deserves the opportunity to develop his or her own political party for in life there are bound to be differences of opinion, some focus on right-wing capitalism, others focus on left-wing socialism, and still others focus on liberalism, and I focus on religion which is what TCLP-UK stands for in persevering for truth, justice and democracy as its ideals, that is to say on humanity, for I know the Nature of God and believe 100 percent that He/She has outlined the values of righteous karma that I call karma in sanatana dharma to chart my life. Whether this stance of mine in propagating our website membership Account at JOIN IT is the supreme form of living one's life, the following correspondence linked should be considered.

Our Vishista Advaita Sampradaya (TCLS/TCLP-UK) is most definitely not a source of potential financial risk to Stripe (Payments-UK) Limited for I am a very cautious entrepreneur and my work out of dedication over the past 50 years in the United Kingdom is testament to how much positivity I have. I am fully transparent and risk-averse in my approach to The functions of The Conservative Libertarian Publications Limited as its Director and this is seen in the manner with I have patiently worked to survive as a company withstanding immense opposition from the powers that be.

I have already asked the Financial Ombudsman that Stripe has given me 6 months to register my complaint if the Account of the Company at Stripe is not reinstated to full functionality and to correspondence between Stripe, the Financial Ombudsman and myself is invalid in the consideration of the complaint.

Thanks!

We've received your message, and will try to get back to you by email within 24 hours.

Comments:

So it is for the House of Commons Petitions Committee to decide in the absence of an Appeal at the Court of Appeal the grounds for which has been submitted as due to clearly alleged 'State-machinations' of civil proceedings that I have been victimised with.
